## **KASSON TOWNSHIP**

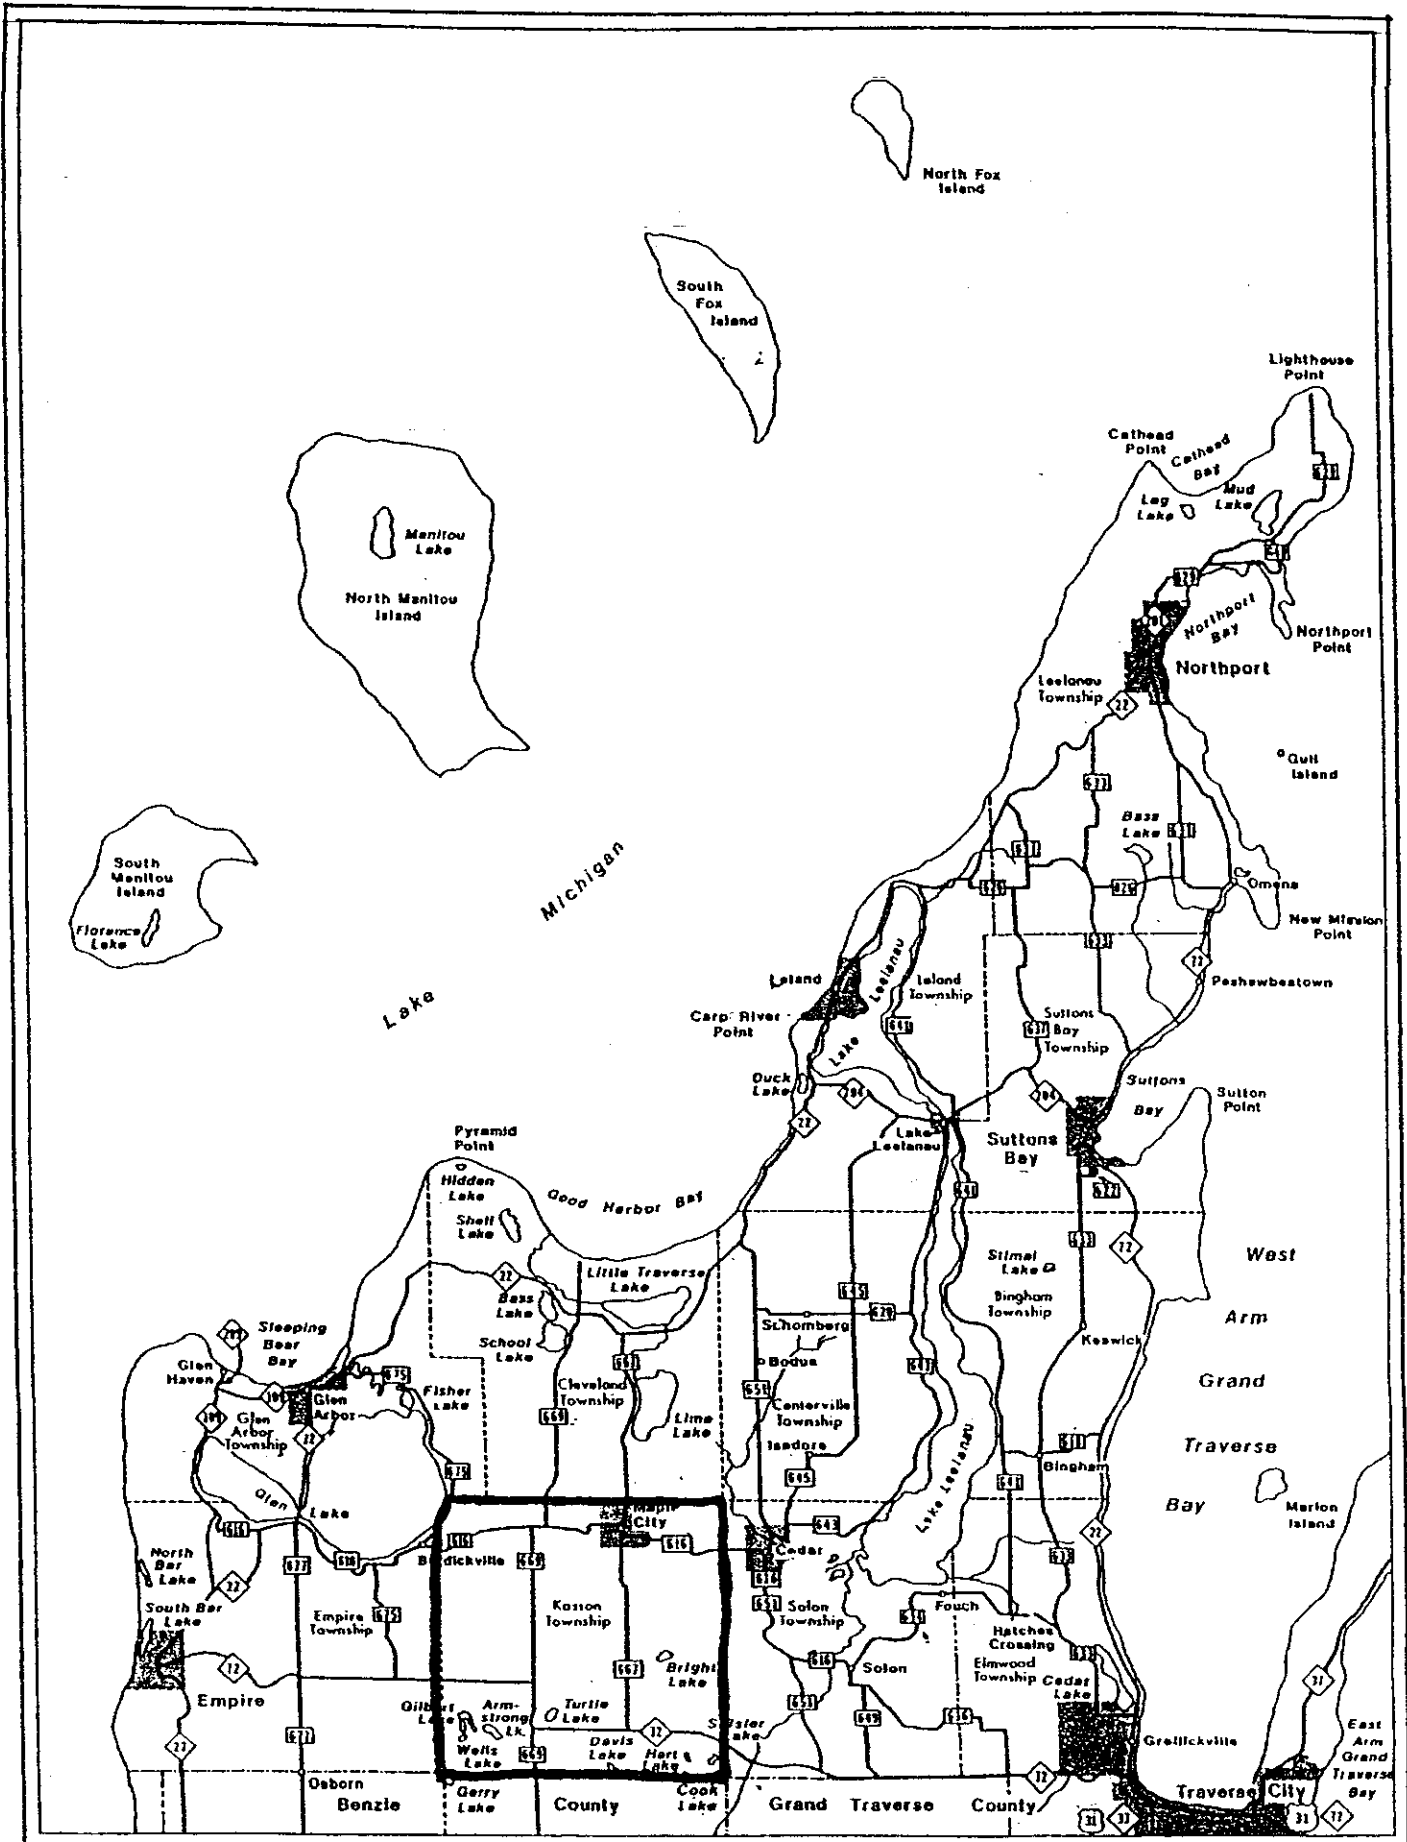

### **MISSION STATEMENT**

Based upon its survey of community opinion and its analysis of Township resources and opportunities, the Kasson Township Planning Commission shall endeavor to update the Master Plan to comprehensively address the community's needs. The success of the Plan shall be measured by its ability to retain the good character and qualities of the community while encouraging growth that benefits all its residents.

#### **Township Planning Commission; purpose of plans.**

The purpose of plans prepared pursuant to this act shall be to promote public health, safety and general welfare; to encourage the use of resources in accordance with their character and adaptability; to avoid the overcrowding of land by buildings or people; to lessen congestion on public roads and streets; to facilitate provision for a system of transportation, sewage disposal, safe and adequate water supply, recreation and other public improvements; and to consider the character of each township and its suitability for particular uses judged in terms of such factors as the trend in land and population development.
